This page will display items in cart. If users wants to increase or decrease quantity they have that option. However if quantity of any item reaches 0 it will be removed from page. (Price updates)

Item	Quantity	Item Price	Total Price
	<div>- 1 +</div>	€4.75	€4.75
	<div>- 1 +</div>	€34.95	€34.95

Patsy can then click checkout which brings her to a payments page. At this point an order id and order details are printed and a validate credit card option is displayed.
